OVpay is Comin' To Town

You better throw out
your OV-chipkaart...

...or maybe not yet

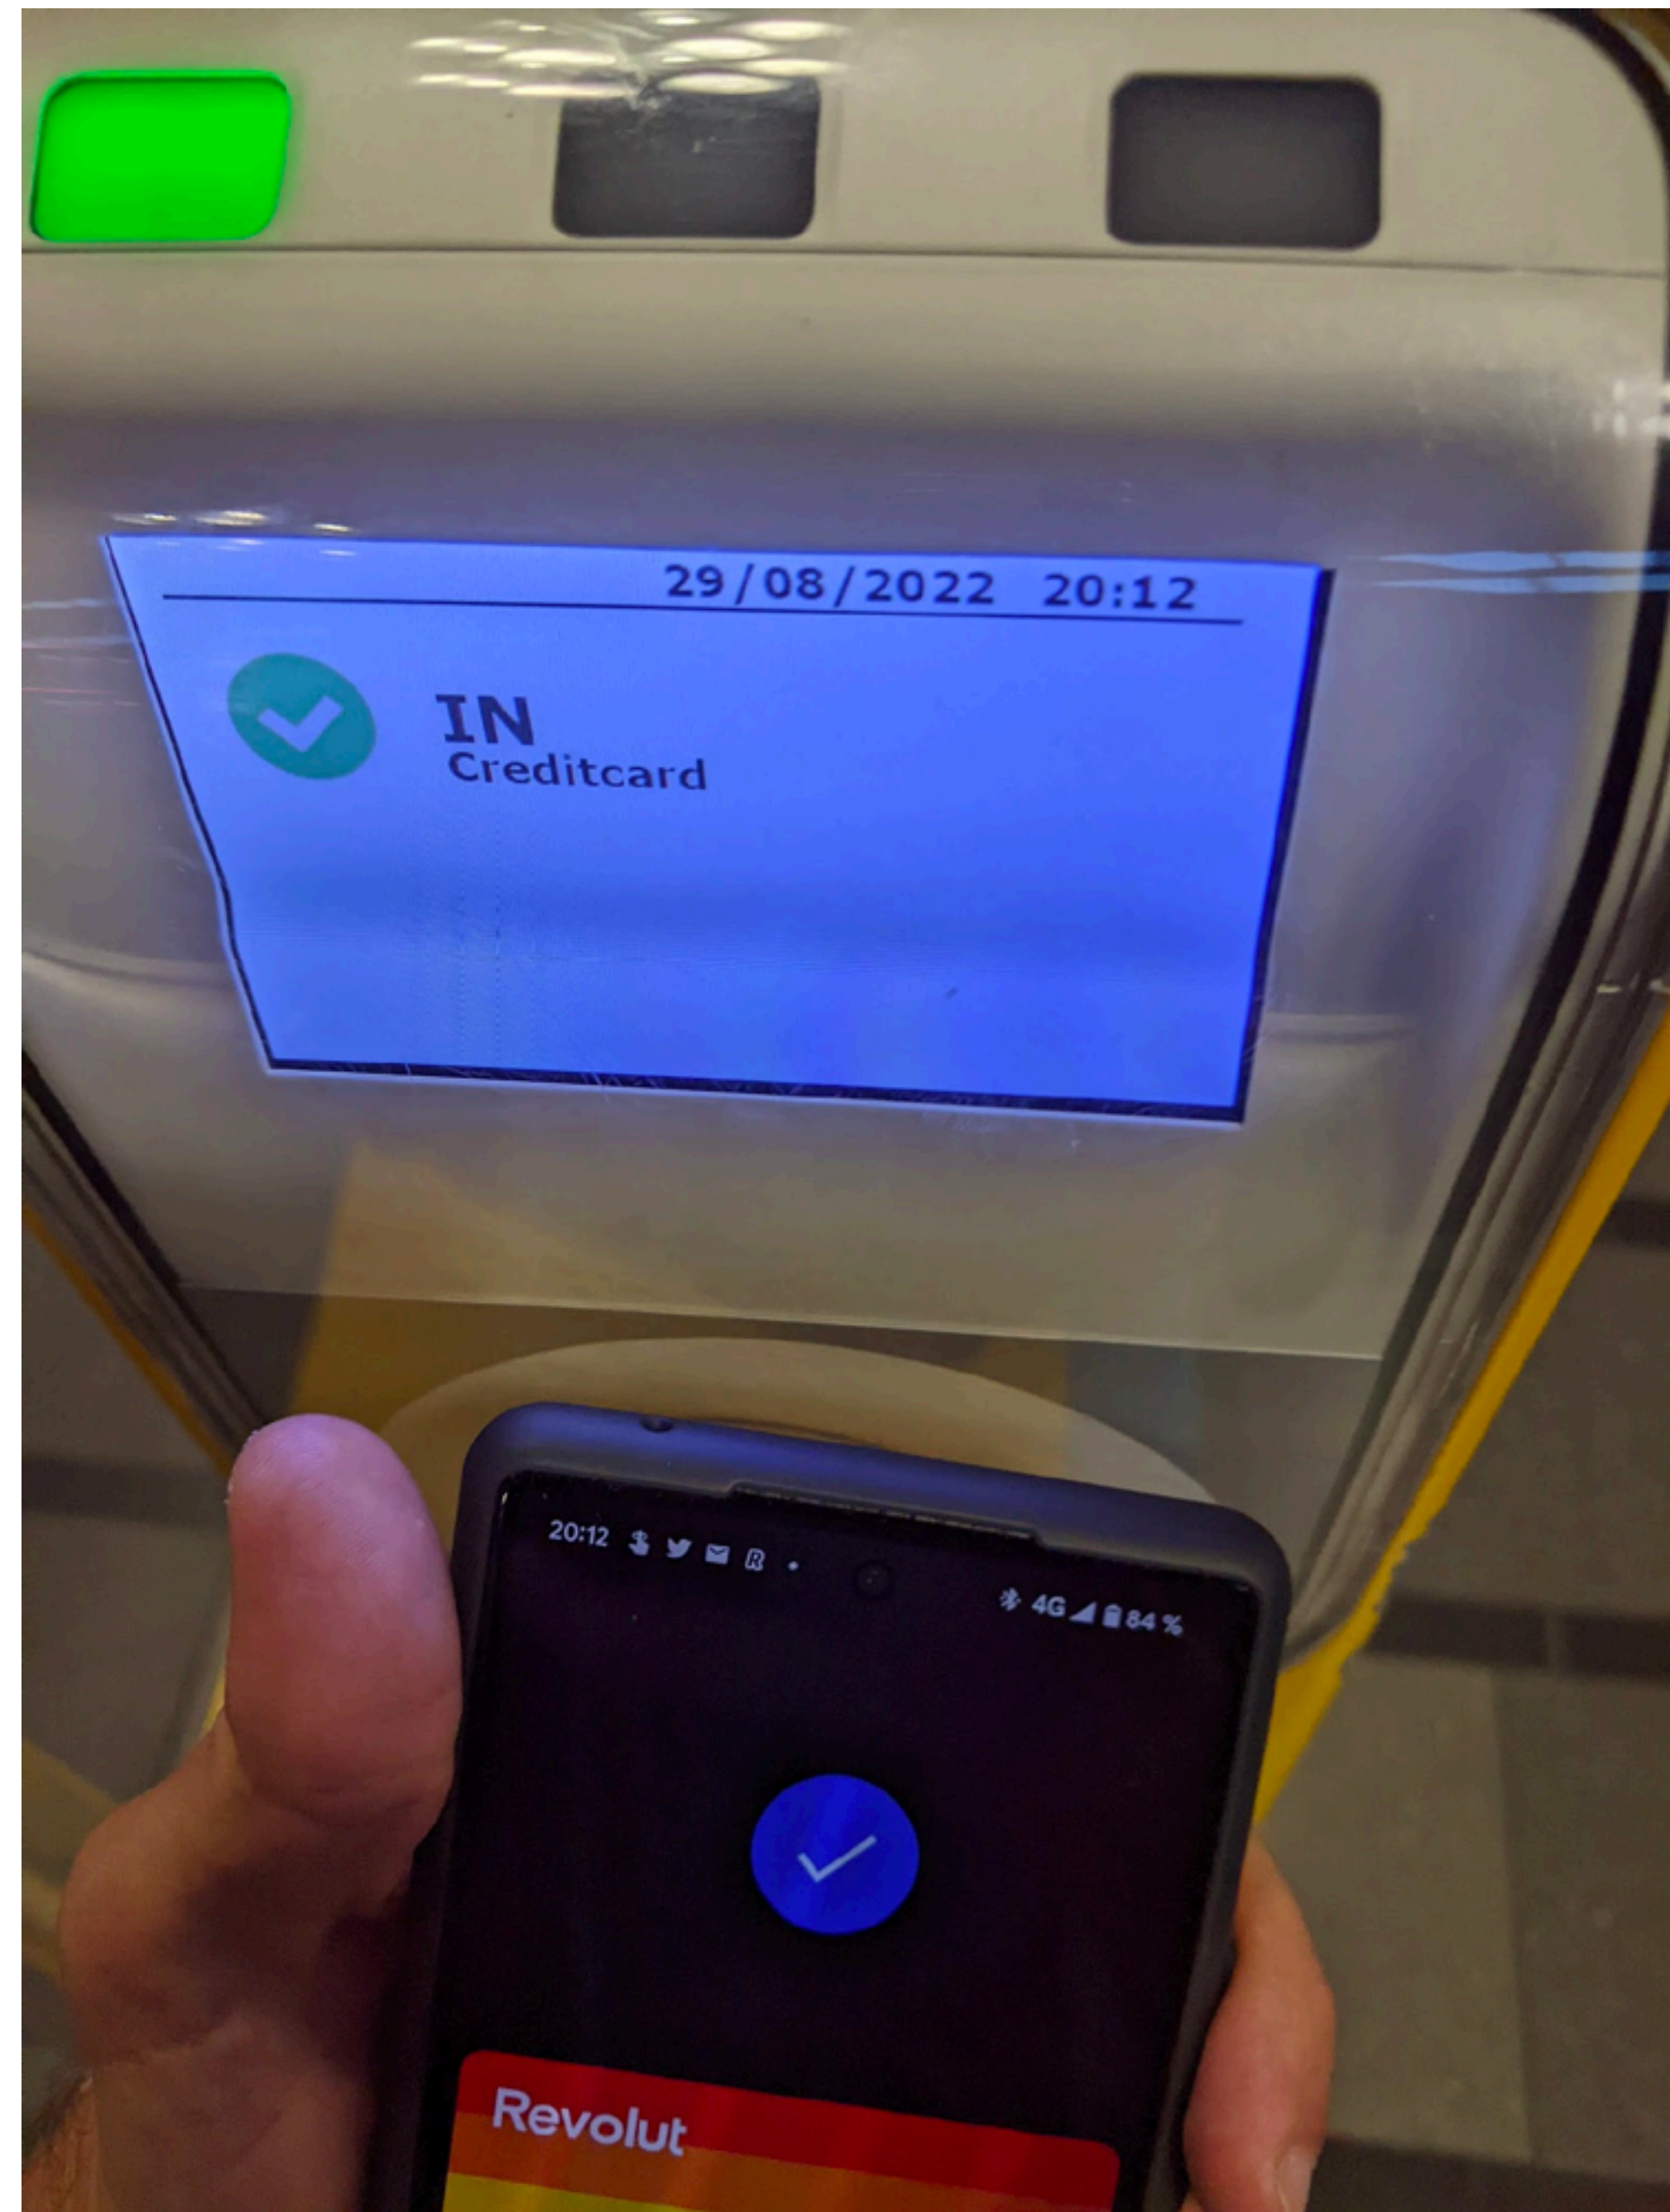

You better throw out
your OV-chipkaart.
Just use **your bank card**
for **check in and out**.
Cause **OVpay is comin' to town!**

You can use **VISA**
or the **Mastercard**.
Mobile pay works too
just like **credit cards**.
OVpay is comin' to town.

They charge you **when you're sleeping** for the journeys that you've made. **Incomplete trips** will cost you lots so **check out** for goodness sake!

informative appendix
